

Meals on Wheels

“MORE THAN A MEAL”

July 2025

Dear Community Supporter,

For the year 2025, our **19th Annual Fundraiser, “Meals on Wheels Radiothon,”** is on August 22nd between 9am -12pm **Clarke Broadcasting is providing airtime for the event on STAR 92.7FM.**

Currently, we are providing over 60,000 meals each year to our seniors on Meals on Wheels. **BUT, it’s More Than a Meal.** We offer our seniors comfort food, companionship, protection, friendship, support to stay safe at home, meals for pets, reading materials, and a smile every visit.

Over the past eighteen years, the community support from this fundraising event has helped fund the preparation and delivery of meals to our seniors in need here in Tuolumne County. Our goal this year is to bring in \$150,000 to support our Meals on Wheels Program for the entire year.

With your support, we can continue to keep our seniors well-nourished and independent. We ask that you join us in continuing to support the Tuolumne County Meals on Wheels program. Together, we can continue to make an impact on our greatest assets – **our seniors.**

On behalf of our hundreds of local homebound seniors in Tuolumne County who will receive Meals on Wheels this year, we would like to extend our personal thanks for your support.
